REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Bow:

During the last few years, the State Board of Education has been faced by the necessity of reducing the number of supervisory Unions in the state. In some cases this has meant the complete breaking up of Unions, assigning those school districts to adjoining groups. In the last two years the town of Bow has had two changes. In the fall of 1933, when Superintendent Roberts resigned, Bow was made a part of the Union of which George Sumner, of Penacook, was the superintendent. The following year, 1934, Bow was taken from that Union and assigned to the Goffstown Supervisory Union, where it is at the present time. Such changes are not welcomed by School Boards. But as matters were, the School Boards did not do the deciding nor did the State Board have any choice. The rearrangement and re-organization which had to be brought about was a difficult task, but done with complete knowledge of the situation to be met, and knowledge, too, regarding the School Districts and Unions involved.

The School Districts now constituting the supervisory Union and data concerning them are noted below:

District	Teachers	Pupils	Buildings Used
Goffstown Town	9	250	4
Goffstown Independent	9	246	2
Bow	7	140	6
Dunbarton	4	79	3
New Boston	5	140	1
Weare	14	264	10
Total	48	1119	26

From Bow thirty-five different pupils entered high School in Concord and Manchester last September. Since then two have dropped out. Those remaining classify as follows:

Freshmen	14
Sophomores	2
Juniors	10
Seniors	7

While seven of these who are seniors and will probably complete their work in June, an equal and possibly larger group will enter, so the number will be but slightly reduced, if at all.

The High School tuition rate is $100 per pupil per year in both Concord and Manchester.

During the months since I began this work, I have had the cordial and willing co-operation of the members of the School Board and teachers. I wish to express to them my genuine appreciation.

Respectfully submitted,

J. BYRON TARNEY,

Superintendent of Schools
